

Belgian Sheepdog Club of America Event Policy

Scope Belgian Sheepdog Club of America Events, Regional Specialties, Supported Entries, Supported Entries with Sweepstakes, and all Performance Events excluding French Herding

Objective To describe the parameters under which a BSCA member may host a BSCA Event in order to receive monetary **trophy** support (\$75 Specialty/Performance, \$50 All other Events); to define the role of the BSCA under this scope; to explain the responsibilities of the hosting BSCA member(s)

Policy ALL requests for events being held in the name of the BSCA must be submitted and approved by the Board--INCLUDING the licensed clubs who have the 10-year blanket approval.

A position of Event Coordinator (**EC**) will be instituted to track these requests for all Events, along with support sent by BSCA and incentives received.

All requests must be received 6 months/24 weeks – at the minimum - prior to the event date.

There are three defined groups that may host a BSCA Event: an AKC licensed regional club, a BSCA regional club, and an individual or small group of fanciers who are NOT members of a Regional club. The person making the request must be a BSCA member in good standing.

If the show is being held in conjunction with an All-Breed or Group Shows, all requestors **MUST** have a written agreement with the cluster chair or show chair of the accompanying all-breed or Group club prior to submitting the application to BSCA. Please see AKC Host Club Consent Form link. <https://images.akc.org/pdf/AE0001.pdf>

All requestors **MUST** submit the BSCA application in full. Requestors are responsible for completing AKC applications and application fees, if necessary. BSCA application, AKC application and host club consent letter, or equivalent, **should all be sent to the BSCA Event Coordinator** (electronic is acceptable) for BSCA approval and an officer's signature which is required on the AKC application for all Events.

Per AKC requirements, the BSCA club name must be listed in the premium as supporting the Event OR the BSCA club name and list of officers must be listed in the premium for a Specialty.

The BSCA strongly recommends that Puppy, Veteran and Working (or a combination thereof) Sweepstakes be offered whenever a BSCA Specialty is held.

Junior Showmanship is required if not being offered by the All-Breed Club.

In the case of Licensed Clubs hosting BSCA Events, permission will be granted, pending no conflict in dates, and will be mailed parent club support automatically. The Request application still needs to be submitted.

For all Regional Clubs and Individuals, Board vote and approval is required for each BSCA event and receipts must be submitted to be eligible for reimbursement or support. AKC Licensed Clubs or BSCA

Recognized Regional Clubs with formal bank accounts do not need to produce receipts. Individuals and groups not having a formal club bank account must produce receipts, to remain in compliance with our Constitution, before receiving support and will only be reimbursed the amounts per this Policy (\$75 or \$50).
